

Dr. Meera James MBBS MD

Cosmetic Dermatologist & Founder of Beau Aesthetica
Beau Aesthetica

About

At Beau Aesthetica we believe in not just imparting the treatments, but delivering the rightful treatments in the rightly required proportions, tailor-making them according to each patient and carrying them out with the utmost care and skill. We specialise not only in the best injectable treatments but also the most advanced laser and chemical peel treatments. We have our own unique range of skin rejuvenation treatments consisting of various skin booster and hydration techniques
